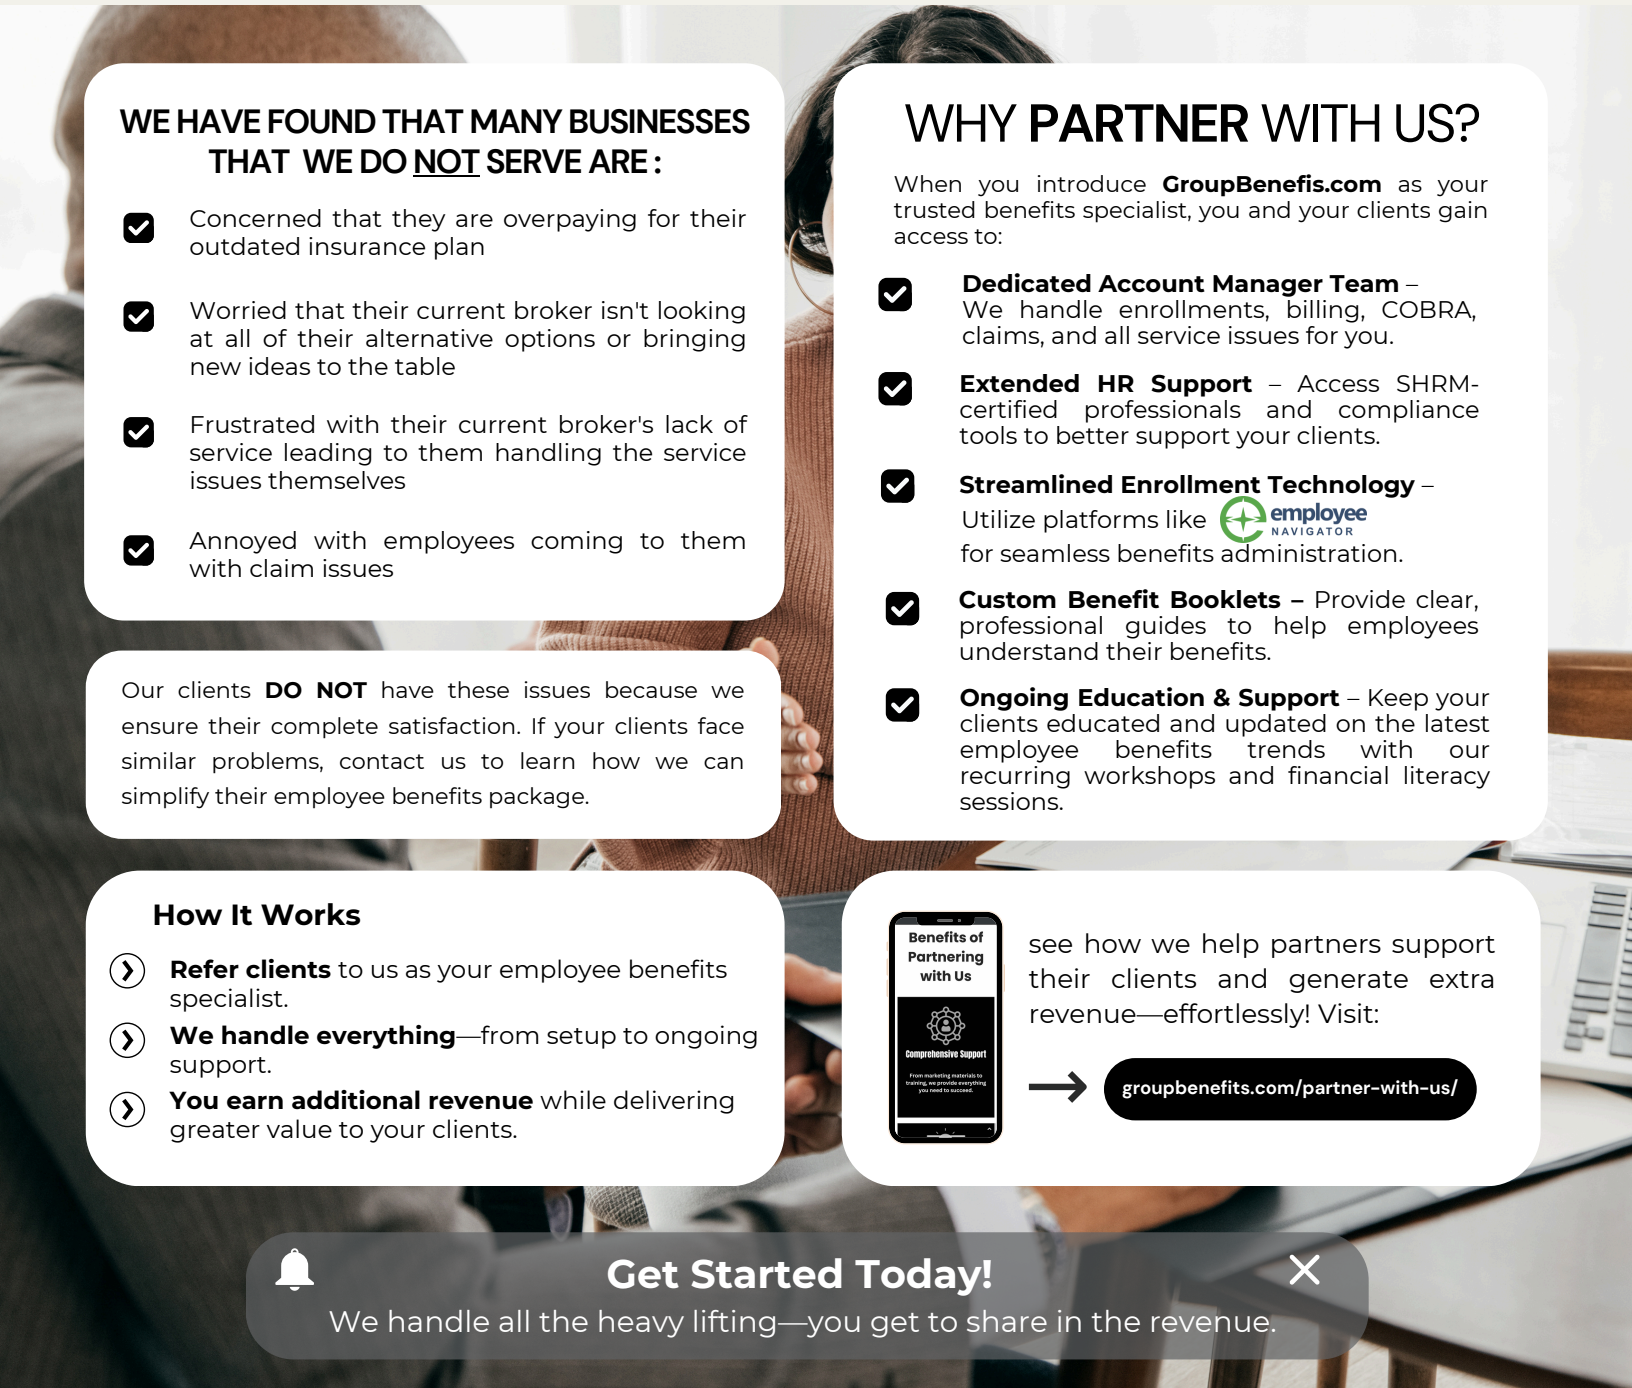
GROUP BENEFITS.COM

Want to Create Extra Income Without Extra Work?

It's simple. If you're an insurance agent or professional, just introduce businesses to GroupBenefits.com, and you can earn while helping them get better employee benefits. The best part? You do less because we handle everything from start to finish.

EARN MORE. DO LESS. DELIVER MORE VALUE



WE HAVE FOUND THAT MANY BUSINESSES THAT WE DO NOT SERVE ARE :

- Concerned that they are overpaying for their outdated insurance plan
- Worried that their current broker isn't looking at all of their alternative options or bringing new ideas to the table
- Frustrated with their current broker's lack of service leading to them handling the service issues themselves
- Annoyed with employees coming to them with claim issues

Our clients **DO NOT** have these issues because we ensure their complete satisfaction. If your clients face similar problems, contact us to learn how we can simplify their employee benefits package.

WHY **PARTNER** WITH US?

When you introduce **GroupBenefis.com** as your trusted benefits specialist, you and your clients gain access to:

- **Dedicated Account Manager Team** – We handle enrollments, billing, COBRA, claims, and all service issues for you.
- **Extended HR Support** – Access SHRM-certified professionals and compliance tools to better support your clients.
- **Streamlined Enrollment Technology** – Utilize platforms like employee NAVIGATOR for seamless benefits administration.
- **Custom Benefit Booklets –** Provide clear, professional guides to help employees understand their benefits.
- **Ongoing Education & Support** – Keep your clients educated and updated on the latest employee benefits trends with our recurring workshops and financial literacy sessions.

How It Works

- **Refer clients** to us as your employee benefits specialist.
- **We handle everything**—from setup to ongoing support.
- **You earn additional revenue** while delivering greater value to your clients.
